

HP Networking Integration Tested

This is to certify that

.vtFW-ZL1 FW.47.06.01

manufactured by

.vantronix | Secure Systems

has been awarded the

HP Networking Integrated certification

by AppLabs for compatibility with

HP AllianceONE Services zI Module

HP E5400 zI Series / HP E8200 zI Series switches

running software K14.60 on July 28, 2010

Outcomes that matter.

AppLabs
no doubt about it
